CINEMATOGRAPHIC VIDEO

An emotional and authentic story of your wedding, filmed in a cinematographic style. Our video team will capture every detail with technique and sensitivity, transforming your special day into a true author's film.

What it includes:

Complete coverage of the entire day, from preparation to the evening party.

Cinematographic video edited with care, lasting 14-16 minutes.

Mini trailer Reel emotional 30/40sec. perfect for sharing, edited and delivered the same evening of the wedding.

Aerial filming with drone, for spectacular and suggestive panoramic shots (service subject to weather conditions and D-Flight regulations)

Professional editing with soundtrack and color grading for a cinema look.

Digital delivery of video files in high resolution.

Every scene will be studied to enhance the location, the most intense moments and authentic emotions, with a narrative style that will make you relive your wedding every time you watch it.

Total Price Photo & Video
5400€
